

## PoP 19 Pearl's Good Surprise?!

I like the outfit idea I was using on the splash page. I think it would be so cool to see something like this in a store window.

The story Wild-Purring, with all the jokes about Pearl (laugh!). I was happy that I was able to bring out Eleven and Twelve, even though it was just for a little while. The guy next to the detective was popular at the office.

It's not  
what it  
looked like!

You  
are...

normal

Karen!  
G-Rokku?

I saw her  
whole thing  
earlier!

No,  
that's not  
true!

What's  
important is  
that you're  
at love with  
Forcel!

This is  
wonderful!  
Ich-idou is  
mine now!

Ken!  
Don't kid  
yourself,  
Rina.

Whatever  
Ich goes,  
there I am!

I thought  
you were  
normal!

But I  
don't make  
it that!

I want  
a cake,  
pudding, and  
a cookie.

I-see...

For-  
over...

Oh! Zero...

I'm  
stupid

Something  
happened  
between  
me and  
For-chan...

Zero...  
Don't you think  
you have the  
wrong idea?!

Okay, okay!  
I'll make them  
right now!

I want a cake,  
pudding, a cookie,  
a doughnut, and  
ice cream...

It has  
nothing  
to do with  
me.

She's  
Pancho!

See  
ya!

Oh.  
I-I have class,  
so I better go  
back now!

Nothing happened there but...

Sigh...

I have class, too.

What's up with her?

...but I wonder... will the rest of Pearl's divination come true?

...but I wonder... will the rest of Pearl's divination come true?

...but I wonder... will the rest of Pearl's divination come true?

I just remembered that I missed lunch.

But there's no time to pick something up before class!

What's up with her?

What's up with her?

No problem.  
I thought  
too much...

Eng!  
I can  
take it!  
Thank.  
♡

...because  
Dean  
insisted he  
could eat  
it all.

Don't  
sneak away  
on me,  
Ryu!

Do you  
want  
that?

Amo.

Ichu!

Did that  
division color  
true?

So...

Thank!

~~~~~

Thank you.  
♡  
I was  
hungry!

おっ  
やん  
!

No, it  
hasn't  
come true!

Absolutely  
not!

Ggu?!

It was  
nothing.

No way.  
Ggu? You're  
a liar. Ggu?

Ugh... But,  
but (all of) it  
really hasn't  
come true!

Come  
on...

W-What are  
you saying?!

I know my  
revelation will  
come true!

Who knows  
what he'd do  
out there by  
himself? We  
better go  
after...

Oh,  
no...

I hate  
you,  
Sgt!

2-  
Search!

My  
visions  
are never  
wrong,  
Sgt!

Now I'm  
and, Sgt!

How-aaa!!

かほ

Ich-aaaaa!  
♡♡♡

I'm  
making an  
exception  
today.

Am I glad to  
have found  
you. Your  
cousin was  
lost, so I  
brought her  
here.

My  
cousin?

HELLO!

Hello to those I'm waiting for the first time and to those I've not! I'm Mikiyo Ikeda.

We're finally up to the 10th volume of *Assault on Lotus!* Lotspop! I can't believe we've gotten this far.

I'm including my drawings, requested illustrations, four-page manga, and 50% again! I've included a bonus story, *Assault!*, and the Mini-Feature is included as well.

Personally, I like the bonus story *Assault!* and the new characters, King and his comrades. I hope everyone will like this book, too. Enjoy.

Ryo...

# YAOHACH

Come  
on in!

They  
seem to  
be full of  
goodies.  
Ryo.

Well, it's  
almost  
snack time.  
Ryo.

YAOHACH

よい  
い

よい  
い

Chili  
Pepper

Let us have  
a bite of it.  
Ryo.

This  
looks  
good.  
Ryo.

It's coming from Yachichi-san's!

Is it a fire?!

What was that? An explosion?!

Let's go over there!

A lizard breached fire...

What in the world happened?!

What?!

Oga!

T-That  
was too hot.  
Ryo...

I'll never  
touch that  
again. Ryo!

ALL  
THE  
TIME

ALL  
THE  
TIME

ALL  
THE  
TIME

A  
i  
e  
e  
e  
!!!

ALL  
THE  
TIME

Did  
something  
happen?  
Ryo.

Could his  
eyes have  
played  
tricks on  
him?

A Pre-  
breaching  
signal. Huh.

Tachan-  
sen.

Yeah, those  
were his  
last words.

Let's  
call  
it that.

So the  
victim  
died...  
a lizard  
breached  
first?

Actually,  
I got Astoria's  
foot 11 weeks  
later, just like  
she said.

Astoria's  
foot, Les-  
tan, is it?

Her  
vision  
came  
true!

It's  
Steven-  
son!

Her  
foot  
had...

Les-  
tan  
forgot  
about  
me

So...I've  
seen that  
blue, flying  
life-form  
around

That...  
That has  
to be...

No,  
that's not  
a life-form.  
From this  
world.

An alien!!

Boo!

I am terribly  
sorry for all the  
inconvenience.

Man,  
what a  
hellbender.

It's  
his  
his...

She was  
talking about  
being his  
cousin,  
right?

See you  
later,  
Kokoro.

I don't  
want to go  
home yet!

Schi-sawa,  
Schi-sawawa!

Yeah,  
yeah.

Look?

Every-  
body, look at  
that!

We have  
just  
received  
breaking  
news.

I wonder  
where Pami  
was off to?

I am at the  
Happy Face  
shopping  
District in  
1st Ward.

Yes,  
but is  
Kikori at  
the scene.

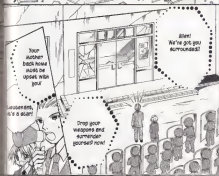

Oh, yeah,  
we need to  
find his Pami!

## Lollipop In Other Countries Part One

It's a late announcement, but *Reaster Lollipop* is being published in Taiwan, Hong Kong, and South Korea! I don't understand these languages, but it's interesting to look at the alphabet! I'm thrilled that they offer their own original bonus items, too! Even the character names look different in each country! I'll use this space to show them to you.

*Continued on page 67!*

I-it  
seems  
we've got  
a serious  
problem!

Oh, okay,  
don't fix!

I'll look  
this way!

I'll go check  
the shopping  
districts so you  
go look in the  
other places.

Let's split  
up and  
look for  
him!

Oh, maybe  
he's back in  
school.

I guess  
I'll check  
there.

No,  
not yet.

Is that  
good,  
Loki? Did  
you find  
Percy?

Okay,  
then I'll  
keep  
looking.

Really?

But he  
won't  
respond  
to me.

So  
did I.

I wonder  
if he's  
still in  
hiding.

You're  
back,  
too.

Yeah, I  
heard the  
sound and  
thought it  
was Pearl...

Come  
on, out!

Hey,  
Pearl!

It's us!

Oh... sorry...

Ah...

THE  
VISION

THE  
VISION

THE  
VISION

THE  
VISION

THE  
VISION

HUH?

Your  
Puff...

Do I see a  
grandmother and  
grandfather?  
Agu!

Agu-ryuu!  
Is that you,  
Sins, Zoro?  
Agu!

What  
were you  
doing?

Princess

Ordinary adults

He and she  
grow into  
a mature  
relation-  
ship as...

When they  
grow older...

A grandmother and  
grandfather!

.....

It's  
possible...

O-Down,  
Pearl!

Sins and  
Zoro  
became  
a grand-  
mother and  
grandfather. Agu!

Let us  
explain...

はっしん

はっしん

はっしん

Did he  
really  
call?  
Did I  
have  
been  
concerned  
about  
the  
weight?

Was he  
worried  
about  
my?

Or...

Thank you...

This is  
brilliant. It  
was worth  
coming all  
the way.

That's the  
legendary  
Familiar, Pearl,  
and...

...and the  
Devil's  
master.

I'M MORE  
CHAM WINE.
